3 February 2022

Dear Parents/Guardians

Thank you for your continuous support in the implementation of safe management measures and in making the school safe for all. With the expected Omicron wave, we strongly encourage parents/guardians to get your child/ward vaccinated early, if they are medically eligible. From 25 Jan 2022, children aged 5 to 11 will be able to walk in with their parents/guardians to any paediatric vaccination centre (VC) to receive their first dose of vaccination without a prior appointment. If you did not receive the booking link or encounter issues with the link, you can register your interest on the MOH National Appointment System at <a href="https://child.vaccine.gov.sg/">https://child.vaccine.gov.sg/</a>. Please refer to the Parent Gateway (PG) message sent by MOE on 24 Jan 2022 to all parents/guardians for more details.

Just like in previous years we took opportunity to inculcate the value of care for the community in your child/ward by encouraging them to take the necessary safety precautions as they celebrate Lunar New Year amidst the pandemic. The school together with the parents/guardians play an important role in helping our students understand what they can do to keep the community safe.

Our staff and students celebrated Chinese New Year on 31 January 2022 through a range of classroom and school-wide activities. We are also pleased to participate in the upcoming virtual Kampong Glam Chinese New Year Online Celebrations. Staff and students are involved in performances or festive greetings to the residents in Kampong Glam Community. The virtual celebration will be held on Saturday, 12 Feb 2022 from 2pm to 3.30pm via Kampong Glam News Facebook page. Do join in the festive celebrations!

On behalf of all school staff, we wish you and your family a Happy, Prosperous and Healthy Lunar New Year.

Yours sincerely

Mdm Cassie Fan

#### **B** KEY PROGRAMMES

# 1. Co-Curricular Activities (CCA) [For P3 – P6] and Modular Co-Curricular Activities (MCCA) [For P3 – P4]

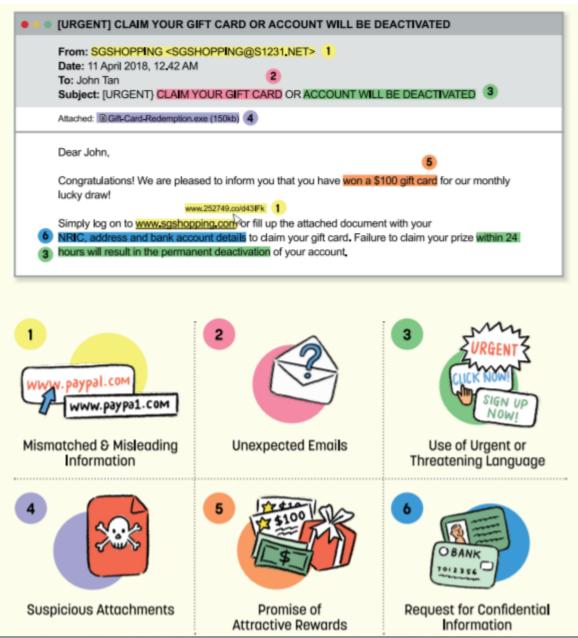

In addition to our CCA preliminary selection, we are pleased to offer all students who have participated in our CCA Virtual Recruitment Drive their choices. As we nurture passionate learners, we strongly encourage all students to be responsible and committed in their chosen CCA for the year. This will allow them time to grow, explore and discover their talents.

As part of Ministry of Health's advisory, vaccinated persons should avoid strenuous activities for two weeks after each vaccination dose of the COVID-19 vaccines. Hence, affected students in Sports or Dance MCCA/CCA are not required to be in-attendance. Please inform respective teachers-in-charge for dismissal arrangements. We seek your cooperation to continue updating the school of students' vaccination via <a href="https://go.gov.sg/sps-me">https://go.gov.sg/sps-me</a>.
